Features

- Standard DIN rail connector, fits most DIN rails
- Easy tie down points for cable strain relief
- Supports Tellabs ONT205C, ONT180C, ONT202 and ONT142R

Highlights

Easy Mounting

The Tellabs Universal ONT DIN Rail Mounting Bracket has standard DIN Rail connector that allows it to fit into most DIN rails systems available from many different manufacturers.

Fiber Management

The mounting bracket tie down points offers cable strain relief. It streamlines cable management, improves cabling aesthetics and offers infrastructure flexibility.

Supports Many ONTs

The bracket supports Tellabs ONT205C, ONT180C, ONT202 and ONT142R. It allows for one to eleven ONTs to be mounted in a 19-inch rack space, either 10-gigabit XGS-PON or G-PON, and from two to 88 Ethernet port options.
