3.2 Buyer receives no other express or implied license or right under any patent, copyright, trademark, trade secret or other proprietary right. The Licensed Materials are protected by copyright laws and international treaties.

3.3 Buyer may make one (1) copy of the Software (excluding firmware), solely for backup purposes (unless additional copies are necessary for the Software's intended use). Such copy shall be treated as an original for purposes of any restrictions herein. Buyer shall not remove, obscure or otherwise disturb any copyright or proprietary notices on the Licensed Materials, and Buyer shall reproduce the same on any copy.

3.4 Buyer shall not directly or indirectly: (a) decompile, disassemble, decode, reverse engineer (unless required for interoperability, but only where and to the extent the foregoing prohibitions are invalid under applicable law or applicable open source license), modify, append, translate, copy (except as provided above), distribute, publicly display, disclose, sell, lease, loan, rent, transfer, assign, sublicense or otherwise provide to third parties the Licensed Materials, including their authorization control utilities; (b) release benchmarks or comparisons of the Licensed Materials; or (c) use the Licensed Materials for time-sharing, service bureau or subscription services.

To the extent that the Licensed Materials originate from a third-party licensor, such licensor may be a third-party beneficiary to the license granted herein, may enforce the license directly against Buyer, and shall have no warranty or other obligation or liability to Buyer under this Agreement regarding such Licensed Materials.

3.6 This paragraph applies to all acquisitions of the Licensed Materials by or for the U.S. government. The Licensed Materials have been developed entirely at private expense. Buyer shall receive and maintain the Licensed Materials and other Tellabs confidential information in confidence and agrees to use at least the degree of care that it uses to protect its own proprietary information, but no less than reasonable care, to prevent the unauthorized use outside the scope of this Agreement, disclosure or publication of Tellabs confidential information. Buyer's use of and access to the Licensed Materials will be strictly limited to its employees with a need to know who shall have contractually agreed to comply with confidentiality obligations no less stringent than those stated herein. Buyer's obligations under this Section 5 shall continue indefinitely for so long as such Licensed Materials continue to be a trade secret.

5. Limited Warranties; Disclaimer

Tellabs' Products are subject to Tellabs' Global Warranty, available upon request. The Documentation is licensed "AS IS." TELLABS EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT.

6. Limitation of Liability

TELLABS SHALL NOT BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, PUNITIVE, INDIRECT OR SPECIAL DAMAGES OR LIABILITIES OF ANY KIND, INCLUDING BUT NOT LIMITED TO BUSINESS INTERRUPTION, LOST PROFITS, LOSS OF USE OR LOSS OF DATA, UNDER ANY THEORY OF LIABILITY EVEN IF TELLABS WAS ADVISED OF THE LIKELIHOOD OF SUCH DAMAGES OR LIABILITIES. TELLABS' LIABILITY SHALL NOT EXCEED THE NET PURCHASE PRICE OR LICENSE FEE PAID FOR THE DELIVERABLE CAUSING THE DAMAGE, LOSS OR LIABILITY. THIS SECTION 7 SHALL ONLY BE LIMITED IF, AND TO THE EXTENT, REQUIRED BY THE APPLICABLE GOVERNING LAW.

7. Intellectual Property

8.1 Tellabs shall defend Buyer from a third-party claim against Buyer asserting that a Product infringes a United States patent, copyright or trade secret ("Claim"), and Tellabs shall pay any settlement made by Tellabs, Buyer's reasonable and verifiable costs and expenses, and third-party damages finally awarded against Buyer, provided that: (a) Buyer promptly notifies Tellabs in writing of the Claim; (b) Tellabs has sole control of the defense and settlement; (c) Buyer reasonably cooperates in providing information and assistance; and (d) Buyer reasonably cooperates with any efforts that Tellabs may undertake to replace or modify the Product to avoid infringement.

8.2 In addition, if Buyer is enjoined from using the Product by reason of such Claim or Tellabs determines in its sole judgment that an injunction is likely, then provided Buyer meets Buyer's obligations (a)-(d) in Subsection 8.1 and absent any replacement or modification provided by Tellabs to avoid infringement, Tellabs may at its sole election: (a) obtain the rights

necessary to permit continued use of such Product; or (b) terminate this Agreement and any other agreement relating to the Product, allow Buyer to return such Product for a refund of the amount paid for such Product less depreciation, and if Buyer fails to do so, Buyer will give Tellabs access to Buyer's facilities during normal business hours to retake the Product.

8.3 Notwithstanding the above, Tellabs is not obligated to the extent the Claim is based upon: (a) a modification made other than by Tellabs; (b) Tellabs' compliance with Buyer's designs, instructions or specifications; (c) combination of a Product with other equipment, materials or processes; (d) use of a Product not in accordance with the applicable Documentation; (e) use of a Product in violation of or otherwise outside the scope of this Agreement ((a)-(e) collectively, "Claim Exceptions"); or (f) a Product that is a third party-branded product generally available to Buyer in the open market but which Buyer instead procured through Tellabs as a line-item offering by Tellabs distinct from Tellabs-branded Product. Buyer shall, in a commensurate manner, defend Tellabs for any third-party Claim based upon any Claim Exceptions, and shall pay any settlement made by Buyer, Tellabs' reasonable and verifiable costs and expenses, and any third-party damages finally awarded against Tellabs.

8.4 This Section 8 states Tellabs' sole obligations and Buyer's exclusive remedies with respect to any third-party claim based upon intellectual property rights.

8. Termination

The license granted in Section 3 ("License Grant") is effective for the life of the Hardware portion of the Product on which the Licensed Materials are delivered unless earlier terminated as provided in this Agreement or by Buyer in writing. This Agreement (including such license) will terminate immediately: (a) upon any breach of Section 3 ("License Grant") or Subsection 15.5 (export compliance) or any incurable Buyer breach of this Agreement; (b) if Buyer fails to cure any curable breach within thirty (30) days after notice of such breach; or (c) as this Agreement otherwise provides. Immediately upon termination or Buyer's receipt of replacement Licensed Materials and other Tellabs confidential information, Buyer shall immediately cease all use of, and return or certify destruction of, the Licensed Materials and other Tellabs confidential information and all copies. Services may not be terminated in whole or in part without the prior written consent of Tellabs. Termination is not an exclusive remedy.

9. Pricing

Prices for Deliverables shall be as stated in the then-current Tellabs price list. Buyer is responsible for all duties, taxes, levies and fees arising from the purchase, sale, licensing, use and/or delivery of the Deliverables. Buyer shall pay the agreed Deliverables prices with no setoffs or deductions.

10. Payment

Buyer shall pay Tellabs for Products via: (a) confirmed irrevocable letter of credit ("L/C"); or (b) check or wire transfer received at least five (5) business days before the Order's confirmed Shipment date, or, if approved by Tellabs' credit department, within thirty (30) calendar days after the date of the Order invoice. Each L/C shall: (c) allow partial shipments or transshipments; (d) be issued by a Tellabs-designated bank; (e) be opened in favor of Tellabs at least six (6) weeks prior to the confirmed Shipment date; (f) be payable at the counter of the Tellabs-designated confirming bank at sight immediately upon presentation of the Order's commercial invoice, airway bill or packing list and without confirmation by Buyer or any other third party; (g) not require any other documents in order to be opened; and (h) be subject to the rules of the Uniform Customs and Practice for Documentary Credits (2007 Revision)/ICC Publication No. 600, except to the extent that the rules are inconsistent with this Agreement. Buyer shall pay all L/C costs and expenses (including but not limited to all confirmation charges and those costs and expenses pertaining to the issuing bank, the advising bank and/or extensions of the letter of credit). Buyer shall pay Tellabs for Services via check or wire transfer received at least five (5) business days before the Order's confirmed Service start date. Interest on past-due amounts shall accrue at the lesser of one-and-one-half percent (1.5%) per month or the highest rate permitted by law. All shipments are FCA, Tellabs named premises (Incoterms® 2010).

Buyer acknowledges and agrees that Tellabs may, at any time in its sole discretion and without prior notice, sell or transfer to third parties any receivables from Buyer, whether in whole or in part.

11. Title and Security Interest

Title to, and risk of loss of, a Product (excluding the Licensed Materials) shall pass to Buyer upon Shipment. Nonetheless, if the law of the place where such Product is destined requires that Tellabs hold title to retain a security interest in such Product, then title shall immediately revert to Tellabs if Buyer defaults on its payment obligations, but risk of loss shall remain with Buyer.

12. Cancellations

Buyer shall pay the following charges for cancellation of Product Orders:

EFFECTIVE DATE OF CANCELLATION (Stated as number of days before the scheduled Shipment date)	CANCELLATION CHARGE FOR NONOPTICAL PRODUCTS (as percentage of total net purchase price of cancelled Order)	CANCELLATION CHARGE FOR OPTICAL PRODUCTS (as percentage of total net purchase price of cancelled optical products)
Fifteen (15) or less	Twenty percent (20%)	Fifty percent (50%)
Sixteen (16) to thirty (30)	Fifteen percent (15%)	Twenty-five percent (25%)
Thirty-one (31) to forty-five (45)	Ten percent (10%)	Ten percent (10%)
more than forty-five (45)	no charge	no charge

Cancellations by Buyer are effective upon receipt of written notification by Tellabs. Buyer may not cancel an accepted Order for Services.

13. Reservation of Rights

Notwithstanding Subsection 14.6, Tellabs may make changes to this Agreement at any time. All such changes shall become effective immediately and apply to all Orders received by Tellabs after the effective date of such changes.

14. General

14.1 Except for any purchase order issued by Tellabs, this Agreement states all of the promises, agreements and conditions regarding its subject matter, supersedes all prior understandings (whether written, oral or otherwise) and constitutes the entire agreement between the Parties. If any provision of this Agreement shall for any reason be held to be unenforceable (in whole or in part) in any respect, then such unenforceable provision (or part thereof) shall be construed as if it had never been contained herein. Unless the Parties have mutually executed an agreement governing the purchase of Deliverables subject to the Order, all Orders shall be fulfilled strictly in accordance with the terms and conditions of this Agreement, and no other terms and conditions shall apply.

14.2 Buyer shall not assign or transfer the Licensed Materials or this Agreement or any interest in the foregoing except with Tellabs' prior written consent.

14.3 Tellabs and Buyer are each engaged in an independent business. Each Party shall perform its obligations as an independent contractor and not as the agent, employee or servant of the other Party. Each Party shall be solely responsible for: (a) the employment, direction, supervision, compensation and discharge of its own employees, agents and subcontractors, including compliance with social security, withholding and all other applicable regulations; and (b) its own acts and those acts of its employees, agents and subcontractors.

14.4 Any failure by either Party (or by Tellabs' Subcontractors) to fulfill any of its obligations shall not be deemed a breach of this Agreement if that failure is due to Force Majeure. Notice of Force Majeure shall be made promptly in writing to the other Party. The performance of a Party's obligations under this Agreement shall be suspended for as long as Force Majeure exists. Each Party shall take reasonable steps to limit the effect of Force Majeure. If Force Majeure continues for more than six (6) months, then either Party shall have the right to terminate this Agreement upon written notice.

14.5 The Parties are aware of, and shall strictly comply with, all applicable trade sanctions, executive orders, export control laws, regulations, restrictions and the like (including but not limited to those imposed by the governments of the United States of America and the European Community) pertaining to any Products or Services (and the technology therein) supplied by Tellabs or its affiliates or Subcontractors. Without limiting the generality of the foregoing, Buyer shall not export, re-export, transship, divert or transfer (whether directly or indirectly) any such Products or Services (or technology therein) contrary to such trade sanctions, executive orders, export control laws, regulations, restrictions or the like.

14.6 No changes or additions to this Agreement shall be effective unless in writing and signed by Tellabs' authorized representative. Tellabs' failure to insist upon strict adherence to any term or condition of this Agreement shall not be a waiver by Tellabs of its right to thereafter insist upon strict adherence to that, or any other, term or condition.

14.7 Sections 5 (“Confidentiality”), 7 (“Limitation of Liability”) and 12 (“Title and Security Interest”) and any provision of this Agreement that, given its purpose, interpretation or context, logically should survive the expiration or termination of this Agreement shall so survive.

14.8 If a dispute arises that is not resolved within thirty (30) days from the date that either Party provides the other Party with written notice of the existence thereof, then each Party shall designate an executive who is authorized to investigate, negotiate and settle the dispute. The executives shall exercise good faith efforts to settle the dispute. If the executives do not resolve the dispute within thirty (30) days (or an extended period if they so agree), then the dispute resolution procedure shall be the Parties shall submit the dispute to non-binding mediation. The venue of such mediation shall be Dallas County, Texas, USA. The Parties shall share equally the costs and expenses of the mediation, except that each Party shall bear its own attorneys’ fees. No litigation or any other action pertaining to a dispute shall be pursued unless this dispute resolution procedure has been exhausted. If the dispute is not resolved through mediation within thirty (30) days of the mediator’s appointment, then the Parties may submit the dispute to litigation in any court of competent jurisdiction in Dallas County, Texas, USA, and the Parties agree to submit to the exclusive jurisdiction of such courts. All questions regarding the validity, intention, interpretation, meaning or enforcement of this Agreement shall be resolved under the laws of Texas (excluding its conflict of laws provisions). Nonetheless, either Party at any time may pursue equitable relief before any court of competent jurisdiction to protect its intellectual property rights or Confidential Information.

14.9 The United Nations Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transaction Act shall not apply to any transaction entered into between the Parties.

14.10 Subject to full compliance with any written guidelines or requirements that are provided by Buyer to Tellabs in advance and further subject to the usage limitations set forth in the following sentence, Buyer hereby agrees that Tellabs may reference Buyer’s name and trademark (a) on Tellabs’ internet or intranet company websites, (b) in customer presentations, company presentations or verbal communications, (c) in Tellabs-produced magazines, videos, case studies, press releases and white papers, and (d) in Tellabs’ annual reports.
